

>> **Process:** 0178 WeLearn

>> **Test:** 02 - ZWEBUSERS Test

>> **Test Case Description:**

The system must display updated stock by warehouse for a given material.

>> **Environment:** CH2

>> **Step Status:** Passed

>> **Tested By:** Automatic Test

>> **Tested On:** 4/10/2025 4:12:41 PM (CET)

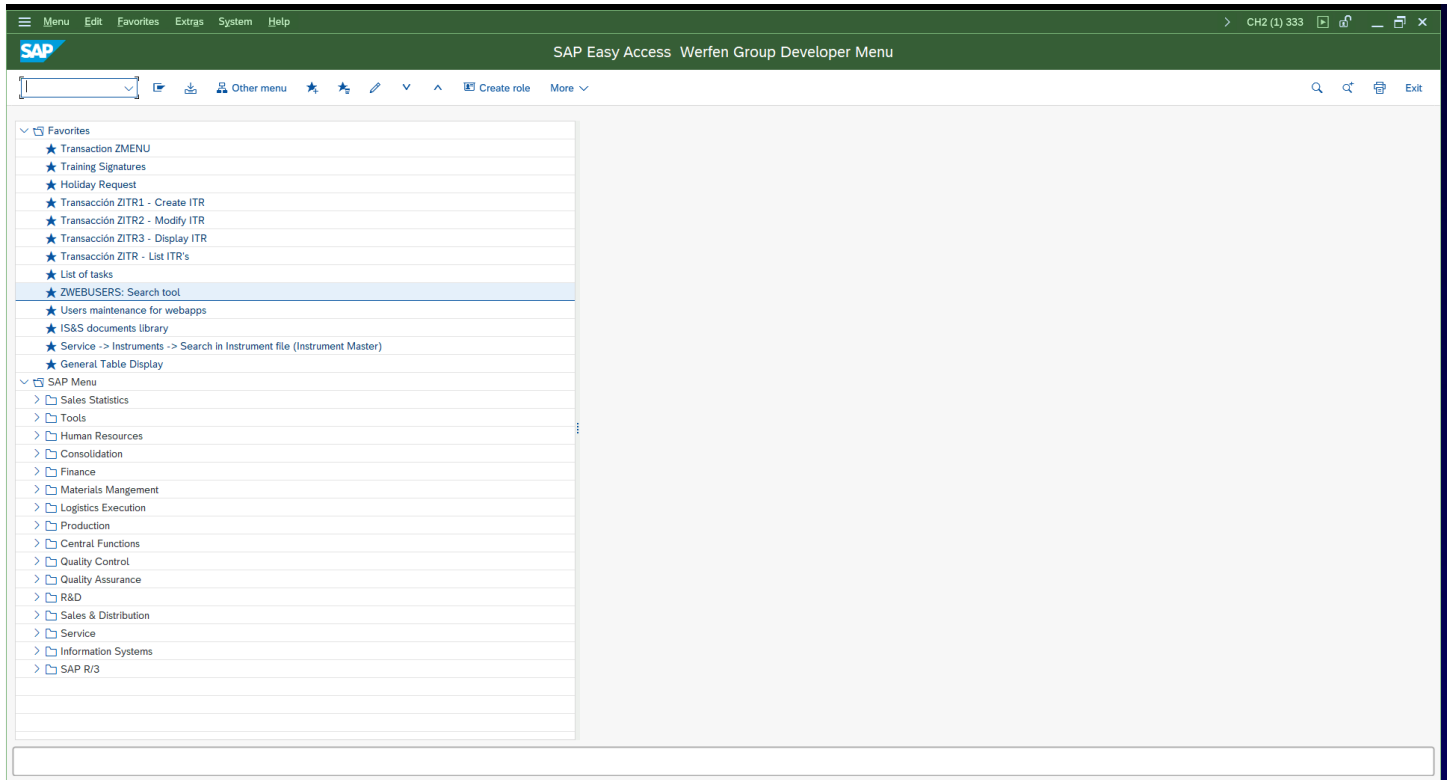

>> **Duration:** 00:00:34

>> **Actual results:**

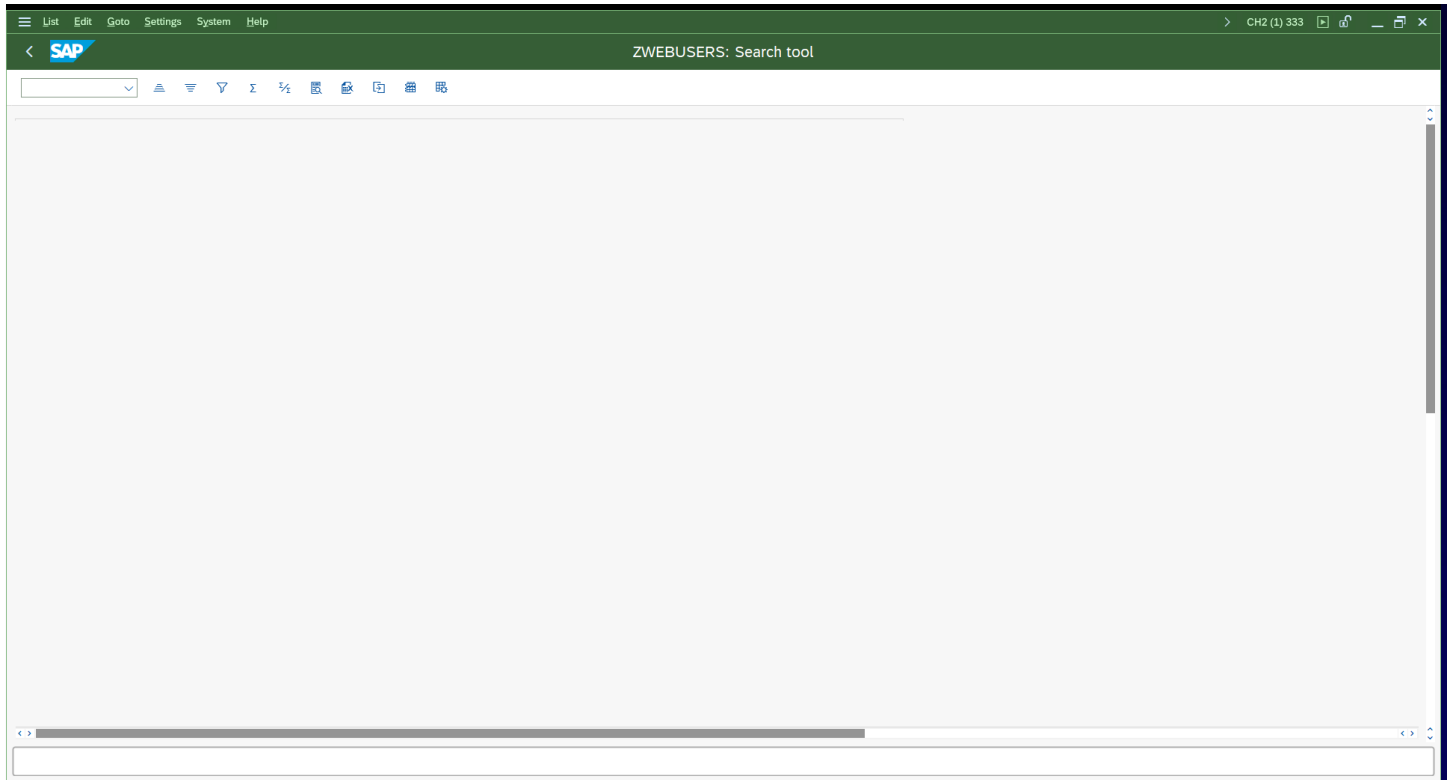

Expected results have been matched:

The results accurately reflect the stock per warehouse with no errors.

Activity 1: Click 'ZWEBUSERS'

Activity 2: Fill email address with 'automatic_test*' & Press 'Execute'

Activity 3: Click row with Web id 'WEBES'

The screenshot displays the werfen web application interface. At the top, there is a green header bar with the SAP logo and the text "WEBES - automatic_test@werfen.com". Below the header, there is a navigation bar with a "More" dropdown menu. The main content area is divided into two sections. The top section contains user profile information, including Name, Last Name, Business, Web info, Customer, and various status fields. The bottom section contains a list of applications, with a "Select an application in left side doing a double click, please" message in the center.

Header: SAP logo, WEBES - automatic_test@werfen.com

Navigation: More

 - Werfen docs

Message: Select an application in left side doing a double click, please

Activity 4: Click on 'My instruments'

The screenshot displays the SAP WEBES user interface. The top navigation bar includes 'Goto', 'System', and 'Help' menus, along with the user's name 'automatic_test@werfen.com'. Below this, a header section contains various user profile fields: Name (Automatic), Last Name (Test), Business (IT Department), Web info (IT Dept), Customer (Status), and X Active (Active). A VAT field is also present.

The main content area is divided into two sections. On the left, a sidebar lists various applications under 'Active applications' and 'Inactive applications'. The 'My Instruments' item under 'Active applications' is highlighted. The main content area on the right is currently empty, displaying a message: 'ft side doing a double click, please'.

The sidebar list includes the following items:

- Active applications
 - My Instruments
- Inactive applications
 - Accutrak
 - Accred Tools
 - Inhibitors Tool
 - Kontrolldaten
 - myOrders
 - Document access
 - GoodMorningEEMEA
 - Investors portal
 - Izasa Scientific Private Area
 - Learning center
 - Leventon documents
 - LinkedIn
 - My IT contracts
 - Marketing Materials
 - myClaims
 - Monthly report
 - PlateletApp
 - Training calendar
 - Transfusion and Transplant Cus
 - Vendors portal
 - Werfen academy
 - Werfen docs

Result: 'My instruments' options are shown

The screenshot displays the SAP WEBES interface for user 'automatic_test@werfen.com'. The top navigation bar includes 'Goto', 'System', and 'Help' menus. The main header shows the SAP logo and the user's email address.
